Press Release – For Immediate Release

Chantal Havard Joins Metismo

It was announced today that Chantal Havard has joined technology company Metismo as Business Development Manager. Chantal joins Metismo from Lonely Planet and previous employers have been InfoSpace, IOMO and EA.

"Having had the pleasure of working with Chantal previously at IOMO & InfoSpace, so when Metismo needed to expand its sales force she was the ideal candidate to join the team." said John Chasey, CEO of Metismo.

"I'm looking forward to working with a great team and promoting the benefits of Bedrock to the community." Said Chantal.

Bedrock's rapid production environment and device database enable you to prototype, develop and target your application to hundreds of handsets quickly and easily. Its cross compiler converts your Java source code to native C++, simultaneously deploying your product to Apple iPhone, Android, BREW, Symbian, Blackberry, Windows Mobile and more.

About Metismo

Metismo is a privately owned mobile middleware company creating robust tools and systems for mobile application development and deployment.

Bedrock's rapid production environment and device database enable you to prototype, develop and target your application to hundreds of handsets quickly and easily. Its cross compiler converts your Java source code to native C++, simultaneously deploying your product to Apple iPhone, Android, BREW, Symbian, Blackberry, Windows Mobile and more.
